ABOUT ME

I am Alexander Alexandrovich Bogacheknov, a dedicated artist and animator interested in joining your studio. My work is a blend of creativity and emotion that does not stray from the project's vision, all the while being as expressive and deep or impactful and eye-catching as it needs to be.

Feedback and criticisms are things I value greatly and take seriously, using it to adapt myself to the needs of the team and adapt myself in full accordance with it and its goals.

It is my priority to focus on collaboration and to contribute to fostering a productive work environment. I look forward to discussing how my skills can contribute to your studio's objectives.
